Brennan, et al,

The attached was assigned to OCIA.

Should we control to OGP for your signature?

Erin,

The attached came into GSA and Exec Sec indicated OCIA asked that it be assigned to us for drafting. I don't see any record of our asking this to be assigned to us.

Can you shed any light on this one?

John Anderson

Good Afternoon OCIA:

This control has been assigned to OCIA for drafting as requested. Please provide a draft response no later than September 20th. I will then move the control forward for further review and concurrence.
